(e) The total number of applications for appointments received by each of the officers having powers of appointment in each year during the last 10 years and their classification by (1) sub-castes (2) Cochinites or non-Cochinites?

For the purpose of this question, sub-caste may be classified according to its classification adopted for Census purposes.

Mr. P. Damodara Menon.—The Civil List contains over 600 appointments on Rs. 50 and above, and the Land Revenue Department alone has 755 hands drawing Rs. 12 and less. In view of this, the information asked for under a variety of heads with reference to the whole State service necessitates such a laborious undertaking that the Government are not disposed to pursue. Moreover, no useful public purpose is, in the opinion of the Government, served by the information called for.

Rule regarding the appointment of Cochinites.

465. Mr. C. A. Kunjunni Raja.—(a) Was there a rule during the administration of Rao Bahadur Mr. P. Narayana Menon that preference should be given to Cochinites in the matter of appointment?

(b) Will the Government be pleased to state the names of non-Cochinites entertained in the State service during the last 10 years and the special reasons, if any, for entertaining each of them?

Mr. P. Damodara Menon.—(a) The following is the rule on the subject:—

"All Heads of Departments and other officers empowered to appoint their subordinates are requested to see that, without the special sanction of the Diwan, no one whose father or mother is not a Cochin born subject or who has not landed interest in the Cochin State is newly appointed to any place or is confirmed in an acting appointment when he or she holds no substantive appointment in the State."

(b) At this distance of time, no complete information can be given. A statement containing the information available is appended (*Vide Appendix VI*).

The appointment of relatives.

466. Mr. C. A. Kunjunni Raja.—Will the Government be pleased to state the names of the relations of those who held the powers of appointment, who were entertained in the State service during the last ten years and the special reasons, if any, for preferring them?

(Relationship should include the relations of the wives of those who held the powers of appointments).
